CATTLE ON FEED REPORTING UPDATE

Effective May 1, 2012, recent monthly Alberta and Saskatchewan Cattle on Feed reports are available in the Canfax Members Only section of the Canfax website. We will continue to post COF reports with a delay in the public area of this website.

Current Cattle on Feed reports are available to Canfax members and participating feedlots.

Please login to the Members Only website for the most recent Cattle on Feed Report or contact the Canfax office if you have any questions.

Please contact the Canfax office for information regarding our services and publications:
